**Wessex and Smith/Packett Hosting Civil Engineering Lunch and Learn**  
*Civil Engineering Lunch and Learn Held in Roanoke Office*

**Charleston, SC** –On June 12<sup>th</sup>, Wessex Capital, in conjunction with Smith/Packett, held a Lunch and Learn with Civil Engineer Howard Boggess in the Roanoke office. Howard is an industry expert and provided his insight as he walked through the plans for the proposed Pheasant Ridge Assisted Living, the newest facility being developed by Smith/Packett with the debt/equity placement by Wessex. The topics the team reviewed included existing and current contours, design elevations, storm water management, utility locations, and landscaping. The team also received an update on new government and industry regulations.
