*~The premier provider of integrated marketplace solutions serving senior housing development and personal care services.~*

34 Broad Street, Suite 200  
Charleston, SC 29401

Phone: 843-793-2551

Smith/Packett, LLC is pleased to announce the beginning of our newest senior care community, to be called ***The Crossings at Greensboro***, which will be situated on 6.5 acres on Whitehurst Road in Greensboro, NC.

This \$38,000,000 project will offer a total of 177 units for independent living, assisted living, and memory care. Residents of ***The Crossings at Greensboro*** will benefit from the convenience of many nearby retailers on Battleground Avenue. This community will offer residents an opportunity to age in place.

***The Crossings at Greensboro*** will provide fine dining with an on-site chef, 24/7 concierge and personal care service, as well as numerous recreational activities. Various campus amenities will include a separate activity area, outdoor patio, fitness/physical therapy center, movie theater/meeting area, beauty/barber service, walking trails, learning center/library, bistro, as well as a state-of-the-art kitchen and an elegant grand dining room.

The facility will be operated by **Harmony Senior Services**, a division of Smith/Packett. Construction is expected to start in February of 2018, and the community is scheduled to open in the summer of 2019. For more information, please contact Victoria Jaras, Chief Sales and Marketing Officer for Harmony Senior Services, at 843-203-3224.

“In all of our communities, we strive to offer the best in class hospitality and resident care. We expect that this new facility will be a source of pride for the community.”

Respectfully,

*Hunter D. Smith*
